

IMPORTANT REMARKS:

- 1. This device is not a toy. Keep it away from the reach of children.**
- Multivet's Virtual Barrier/Virtual Fence Receiver Collar must be used only on healthy dogs. **We recommend that you take your dog to a veterinarian before using the collar if he is not in good health.**
- Your Virtual Barrier/Virtual Fence Receiver Collar is splash proof but not completely watertight. Remove it each time your dog wants to go for a swim.
- Keep device clean at all times. Do not immerse it in water when cleaning. Simply use a dry cloth to wipe away dirt.
- Do not leave your device where your dog could get hold of it and damage it through chewing.
- Make sure that the batteries you are using are still adequate to operate the device. The device requires 6Volts alkaline batteries but for longer life 6Volts lithium may be used. Any one of the following or equivalent battery may be used.
- Never fill the Virtual Barrier/Virtual Fence Receiver Collar with any other substance than the one provided by the manufacturer. Using any other substance, as well as opening the device, will void the manufacturer's warranty.
- If your dog tries to take off the device, a harness can be used instead of the collar provided in the kit. Dog harnesses are available in all good pet shops.
- The hypo-allergenic refill is a pressurized container. Do not pierce it, heat it or dispose of it in a fire as it may explode. Please read instructions on can.
- Do not expose the device neither to freezing temperatures nor to conditions warmer than 45° C. Be particularly careful not to leave the device in direct sunlight. Never leave the device in a car where the device can heat up to very high temperatures.
- The Virtual Barrier system may be used successfully with cats. It is advisable for the animal's comfort to use a harness.

12. Do not attempt to repair the device yourself. This will invalidate the warranty, and make repairing more difficult. If the spray collar doesn't work, call our toll-free customer service: **1-800-303-0244**.
